## Handbook

Dear guests,

Thank you for taking time and coming to Space Sector Forum 2018 to Warsaw. In this handbook, you will find information on the venue, hotels, taxi, etc. In case of any question feel free to reach Mrs. Kinga Gruszecka +48 576 792 999 SPACE PL office manager.

Warsaw is a busy city so please expect some traffic in the morning. Although the venue is close to the airport it may take approx. 1h to reach it. We highly encourage you to come to the event a bit earlier (around 9 a.m.) to explore the exhibition prepared by space companies.

During Space Sector Forum 2018 we will hear many interesting speeches. Most of them presented in English. Do not be afraid of Polish one - the organizers will have the simultaneous translation ready for you.

Enjoy your time with SPACE PL and during Space Sector Forum 2018!
